Spring is around the corner!

Spring is here! Is it just me, or did this Winter feel especially long? I can tell that Spring is in the air because inquiries and tours of the building have significantly increased!

Spring is a wonderful season to start thinking about making a change. I found this quote and wanted to share it: "You're always one decision away from a totally different life." Our residents often come to me after they move in to say that they wish they had made the decision to move sooner. If you're thinking about a change, please come and visit us for a tour and a complimentary lunch! It's a great place to start in your decision-making process.

Recently, I enjoyed the opportunity of "starring" in our Bowmanville Creek radio ads running on CKDO and KX96 over the next few weeks. This was a first for me, but I must say I thoroughly enjoyed the experience and can now cross it off my bucket list!

Resident Testimonial

"Don and I were some of the first people to move into Bowmanville Creek. We moved from Ottawa to be closer to our family. We wanted a place that could offer a sense of security and peace of mind. We felt that Bowmanville Creek was the right choice, knowing that we have an excellent Wellness Team right here to support us when we need it, combined with a variety of exercising activities to help us maintain our health—all in a beautiful building and within walking distance to the heart of Bowmanville's shopping district."

Downsizing Tip of the Month – The Hanger Trick

Do you have clothes in your closet that have been hanging around too long? Having trouble deciding which items to keep and which to pass along? Take all the clothes that are hanging in your closet and turn them around so that the hanger is hooked the "wrong way." As you wear an item hang it back up the "right way." After a designated period of time, say three months, you will know what you wear and what you don't. Donate all of the clothes that are hanging the "wrong way"—they are clearly not your favourite items.

Please join us as we celebrate the Grand Opening of Bowmanville Creek Retirement Community. Our building officially opened on July 1, 2017 and we have been busy helping over 100 residents move into their new home. The celebration will begin with sampling some of our delicious appetizers and refreshments while being entertained by the melodies of a saxophone and flute. Come and experience what life is like at Bowmanville Creek!

News and Updates

Did you know that we have two beautiful rooms that you can rent out? We have a private dining room that seats 10, and a demonstration kitchen that can seat over 30 people. We have already hosted many parties in each room—our residents love the idea of being able to host family and friends!
